## YMCA LED ENRICHMENT CLASSES

CLASS	DESCRIPTION
Art with Heart	Create a work of art with a purpose each week – giving it to someone in need! We will explore an essential Y core value with arts and crafts projects that give back by making cards for local organizations, heroes, and more!
Card Shark	Learn all kinds of card game in this class. We will be using standard 52-card decks to learn go fish, war, garbage and more!
Cardio Blast	Get ready to sweat & have fun in this high energy class! Learn about the importance of Cardiovascular Activity and how to have a blast doing it. In this class, we will be learning new games & exercises that will emphasize the YMCA core values.
Creation Station	Use your imagination as you create your own art each week using a variety of mediums including paint, clay, oil pastels, chalk and paper. We will focus on a different medium each week. Choose what creation you want to make each class.
Dodgeball	Using soft gator balls, we will be exploring many variations of this Kids U classic sport! Learn how to play medic, Jedi dodgeball, pop-up, and so much more. This class is safe and fun for all ages and skill levels.
Edible Science	Bill Nye meets Bobby Flay! In this class science meets cooking. We will experience fantastic science projects and then eat them up!
Flower Power	Are you a budding botanist? Do you love the beauty of flowers? Learn the basics of creating beautiful floral arrangements and you'll be sure to impress your guests.
Forensic Detectives	Put your detective skills to the test! Use forensic clues to piece together a crime scene.
Friday Funtivities	Kids will choose from a combination of physical activity games and classroom activities from this week to keep their Friday afternoons fresh.
Fuse Beads	Those tiny little beads create hours of creative fun. Use a template, or create your own unique design to melt into a lasting memory.
Game Creation	Create and play board games of your own design! Get ready to make new variations and create your own game and play with friends. Add games made by you to make and then play at the Y. In small groups, we will work together to create a board or card game from scratch.
Get Your Sketch On	This course was designed for beginner artists who have an interest in learning how to draw or sketch -- or simply want to improve their skills. It will cover the tools you'll need and also give you plenty of chances to practice drawing different things, from people, places, things, and then beyond.
Global Sports	Itching to play Cricket? Aching for Aikido? Let's play are the most popular and unusual sports from around the world!
Got Hoops?	Dribble, rebound, score! Enjoy a classic winter sport with your friends and Y Staff. Develop good sportsmanship and basketball skills.
Gym Games Galore	In this fun physical club, participants will play classic group games such as capture the flag, kickball, sharks and minnows, and more. The focus here will be sportsmanship, teamwork and participation.
Jewelry Making	Bring out the beads and string to creating all sorts of wearable art! Wear your jewelry home or make it for someone special in this interactive class.
Kickball	It's kickball like never before! We will practice footwork, entertain stealing bases and totally have a ball.
Kool K'Nex	Explore your creativity with K'Nex! Improve your fine motor skills as you work with these challenging building blocks.
Math Games	1, 2, 3, games in this class will use and build your math knowledge in a fun laid back manner.
Mazes, Zentangles & More!	How amazing are you at mazes? Do you enjoy doodling and drawing? Do you Zentangle, or want to learn how? Engage your mind and your artistic side in this class!
Meteorologists	Sleet, and Snow, and Tornadoes OH MY! In this session we'll explore the spectrum of weather types through awesome experiments and cool creations.
Minute To Win It	Do you enjoy mini challenges? Can you win it in a minute? Test your meddle in this class to compete with your peers! Compete in cool challenges to become a Minute to Win It Champion!

Origami	The Japanese word for paper folding, this art is classic and timeless! Students will be creating fun paper projects every week to take home and share with family and friends. All ages and abilities are welcome to come practice the skill of paper folding with fellow Origami enthusiasts every week. Turn ordinary paper into really cool stuff!
Playground Games	Four Square, Wall Ball, Lava Monster Tag, Kick the Can, and many more classic playground games will be played in this fun, active class!
Roll the Dice!	This class is full of six-sided fun! Shake, rattle, and roll your way to victory in these games that
Run Club	Run for fun!? You bet! We'll play awesome running games, work on running skills, and train for
Sewing & Notions	Want to learn how to sew, make a scarf, hat, pot holder and so many other project choices? In this class well will sew, knit, and or weave and the projects are for all skill levels. Learn different terms relating to sewing and the skills for basic projects.
Smart Art	Explore the world of mathematics through different art projects! At first glance, math and art seem to be worlds apart, but join Y staff as we discover decorative and complex mathematical patterns.
Spa Day Crafts	Ever wanted to try and make bath bombs or facial masks? Well join the Spa Day class and create crafts that calm you down!
Strings & Things	Friendship bracelets, finger knitting, lanyards, and more! In this class, students will create all kinds of stringy creations that they can take home and share.
Structures and Building	Work together to build a different structure each week. The challenge comes from working with unusual building materials and direction. The sky is the limit in this class!
Think Tank	Need a quiet place to get your weekly homework done? Want to explore new STEAM concepts? Then this class is for you! Expand your brain and challenge yourself each week by solving puzzles, mazes, and more as well as getting time to do homework.
Vehicle Engineering	On your marks, get set, GO! Come design different types of vehicles including boats, cars, planes and more. Then we'll put them to the test and race creations in weekly competitions!
Volleyball	Increase your volleyball skills as you play new games with your peers and staff!
Wacky About Washington	Want to know more about the Evergreen State? Learn fun facts about our great state with
