

## Writing Club Class

### Introduction

Our writing program empowers students to become skilled communicators and creative storytellers. Each class features a “word of the day,” a focused grammar lesson, and time to write and develop stories. Students learn to organize ideas, use descriptive language, and express themselves with clarity.

Our fall session introduces new writing styles—such as persuasive, expository, and personal narrative—ensuring returning students encounter fresh content and continue to grow without repetition.
