The Heart of Cooper Joe Guild is dedicated to supporting Seattle Children's Hospital. The Heart of Cooper Joe Guild was formed in memory of our son Cooper Joe Kim who was born on October 27, 2007 and passed away on December 21, 2007. Cooper left a huge impact on many people during his short eight weeks of life and through The Heart of Cooper Joe Guild, our son can continue making such a positive impact.

Thank You for your support! Love, Cooper's Family Scott, Kelly, Bradyn and Charlotte Kim

- Students can vote on their favorite gingerbread house creation by donateing crayons in the box outside of Smith from Mon. Dec. 14-18th where there will also be voting slips.
- Monetary donation to our guild can be made online <u>https://</u> <u>give.seattlechildrens.org/give/284150/</u> <u>#!/donation/checkout</u> select "guild credit" and type in Heart of Cooper Joe Guild
- 100% of the Guild's donations benefit the Uncompensated Care Fund at Seattle Children's Hospital which ensures quality care to all children in the Northwest, regardless of their ability to pay.
