

# Representing Smith in the Math Is Cool Competition

We're excited to announce that **Think Academy** will host a **Math Is Cool screening test at school for *all interested students*** — not just Math Club members. **All 4th and 5th grade students are welcome to participate!**

## Screening Test Details (at Smith Elementary)

- **5th Grade:** February 9, 8:00–9:00 AM — *Small Gym*
- **4th Grade:** February 6, 8:00–9:00 AM — *Small Gym*

## Team Selection

After the screening, **Think Academy** will select **18 students per grade** (4 teams of 4 students + 2 alternates) to represent **Smith Elementary** at the **Math Is Cool competition**, held at **Liberty High School**.

## Competition Dates

- **5th Grade:** March 7
- **4th Grade:** March 21

## Program Fee (for selected students)

The exact program fee will be determined and announced once the final roster and team count are confirmed.

The fee will cover:

1. **Math Is Cool competition registration**
2. **Two group preparation classes**
  - *5th Grade:* February 23 & March 2, 4:00-5:00pm
  - *4th Grade:* February 27 & March 6, 4:00-5:00pm
3. **On-site competition coaching by Think Academy**
4. **Official Math Is Cool team T-shirt**

We are excited to invite your child to learn and practice **Math Is Cool** team testing strategies in preparation for the **Championship Competition** for 4th and 5th graders—an exciting statewide event that celebrates mathematical thinking and teamwork. **Strong performance at the Championship may lead to an invitation to compete in the Math Is Cool Masters Competition on May 16 at Moses Lake High School.**
